

Twinning Association of Mumbles

The Twinning Association of Mumbles (TAM) is a voluntary organisation committed to encouraging links – educational, cultural, sporting etc. – with our twin towns: Hennebont in Brittany, a historic market town of some 15,000 people with which Mumbles has been twinned since 2004; and Havre de Grace (HdG), Maryland, USA, a small city of 15,000 on Chesapeake Bay, twinned with Mumbles since 2019. Every two years or so we welcome a group of visitors from one of them, who stay with host families in our village and join us in local walks, day trips farther afield, and cultural activities, reciprocated by them when we visit.

There are numerous entertaining reports about recent visits, and much else besides, on our website, www.mumblestwinning.org.

We have a lively monthly French discussion group, a TAM team – in the loosest sense! – which plays pétanque on the reinstated pitches in Southend Gardens, and a programme of year-round social activities and get-togethers. We also work hard to encourage links with other organisations and institutions in Hennebont and HdG such as schools, universities, choirs, sports clubs and churches.

In June 2020 we will be entertaining a visiting group from Hennebont while for October 2020 we are looking forward to our inaugural visit to HdG and Maryland.

We are always looking out for new members: individuals, families, clubs or associations of all kinds. Membership of TAM is free for students in full-time education.

Chair: David Townsend Jones (david@adastracymru.com) **Secretary:** Lorraine Davies (twinningmumbles@gmail.com)
