Twinning  
Association  
of Mumbles

The Twinning Association of Mumbles (TAM) is a voluntary organisation that is committed to encouraging links of all kinds – educational, cultural, sporting etc. – with our twin town, Hennebont, near the city of Lorient in Brittany, a historic market town of some 15,000 people with which Mumbles has been twinned since 2004. Each alternate year one of the twinned towns takes its turn to host a group of visitors, who stay with host families and join in walks, visits to neighbouring attractions and so on.

In June 2018, 14 members of the Hennebont Twinning Association visited Mumbles including a representative of the Mayor of Hennebont. A full programme of events was arranged: see the report at [mumblestwinning.org/2018visit.html](http://mumblestwinning.org/2018visit.html).

We have a monthly French discussion group and a TAM group that plays pétanque regularly on the reinstated pitches in Southend Gardens. We work closely with several local schools who are developing links with schools in Hennebont, and we are working to offer similar support for local organisations keen on building sporting and cultural links between the two towns.

We will be visiting Hennebont in summer 2019 to help celebrate the 15th anniversary of the signing of the twinning charter.

We are always looking out for new members: individuals, families, clubs or associations of all kinds. Membership of TAM is free for students in full-time education.
