

Twinning Association of Mumbles

Twinning
Association
of Mumbles

We are a voluntary organisation committed to encouraging links of all kinds – cultural, education, sporting, etc. – with our twin town, Hennebont, near the city of Lorient in Brittany, a historic market town of some 15,000 people with which Mumbles has been twinned since 2004. Each alternate year one of the twinned towns takes its turn to host a group of visitors, who stay with host families and join in walks, visits to neighbouring attractions and so on. For example, in June 2015 a group from Hennebont came here and joined us in a variety of cultural, walking and social events.

In September 2016, 13 members of the Hennebont Twinning Association visited

Mumbles accompanied by the Mayor of Hennebont and his wife. A full programme of events was arranged including a Lord Mayor's reception at the Mansion House and a civic lunch.

We have a monthly French discussion group and plans for the coming year include reinstating the pétanque pitches in Southend Gardens and forming a local team, and developing links between surfing and rugby clubs and local musicians and choirs in the two towns.

We will be visiting Hennebont in June 2017.

We are always looking out for new members: individuals, families, clubs or associations of all kinds.
